**FINANCIAL CANCER CARE PILOT BECOMES A PROGRAM!**

Designed to help participants impacted by cancer start to build a financial plan, this introductory virtual course is presented by a Volunteer Certified Financial Planner™ and Social Worker to “Get Your Financial House” in order.

The program reviews ways to plan a budget, build a savings plan, plan for retirement, and to start a financial road map to help participants feel more confident in their financial knowledge and skills.

**EMERGENCY FINANCIAL ASSISTANCE**

For more information about non-medical emergency financial assistance for adults in active treatment for cancer in the Twin Cities, please see our website at [www.mnangel.org](http://www.mnangel.org).

**These programs are offered at any point after diagnosis, whether in treatment or not.**

Our Financial Cancer Care Workshop requires receiving treatment for your cancer diagnosis within the last 2 years.
